COMMENTS

Thanks to a wide stern platform, the largest in its category, the SX280i sets its own rules in terms of comfort and space organization, cared for down to the smallest detail. Luxury and practicality are combined in this "little" masterpiece of stylish innovation, dressed with elegance and innovative solutions by Capoforte.

This is a boat for those who are looking for a distinctive and unique boat, to enjoy sailing with family and friends. It has been designed to enhance contact with the sea and conviviality, and refined to become a true saloon on the water.

Thanks to its spacious cockpit, it is possible to accommodate several people in comfort and safety. The level of finishing and the elegance of its elements are at the highest level, so that owners and guests feel proud to

be part of the Capoforte world.
