COMMENTS

Invictus takes the TT range to the next level with the TT550. A natural evolution of the TT460, this yacht embodies the perfect synthesis of innovation and tradition. Every detail, from its sculpted lines to the versatility of its spaces, has been designed to offer an exclusive experience where luxury meets functionality, ensuring unparalleled cruising pleasure. Her nominations for the European Powerboat of the Year 2026 and the Design Innovation Award are a testament to her design excellence.
